### COLUMBIA CREST

Founded in 1983, Columbia Crest has grown from a small winery in a relatively unknown wine region to one of the most significant wineries in the U.S. and a major force behind Washington state's emergence as a world-class wine region. In 2009, Wine Spectator magazine named the Columbia Crest 2005 Reserve Cabernet Sauvignon the No. 1 Wine in the World on its Top 100 list, the first time a wine from Washington state had received the ranking.

### 14 HANDS WINERY

Our wines embrace the spirit of those who journeyed to the Pacific Northwest – bold, distinct, daring – while our name pays tribute to the wild mustangs – which stood fourteen hands in height – that once freely roamed the hills of eastern Washington State. This unique and beautiful landscape that gave these unbridled horses their spirit and tenacity that now feeds our vines. With loamy-sand and gravel soils, these hills require a strong and determined grapevine resulting in big, bold, juicy red wines and crisp, fruit-forward white wines.

But Liquid Light helps them find perfect balance — our wines are full flavored and naturally lower in calories and sugar, ensuring our drinkers get everything they want in a glass of wine without sacrifice.

### BORNE OF FIRE

Borne of Fire is a Cabernet Sauvignon and Chardonnay sourced from a remote area in eastern Washington known by locals as "The Burn," named from legends of early settlers who set fire to the land year after year to replenish and rejuvenate the grasslands. Like a phoenix rising from the ashes, Borne of Fire has laid claim to this land that has been torn from within and smothered in flames. Where Earth's torrid past has new meaning and where the grapes grow mighty to produce world-class wines. Borne of Fire is truly reflective of its unique environment that draws from its rich roots to deliver a history you can taste.

### EROICA

Launched in 1999, Eroica is a labor of love for two of the world's great Riesling producers. One from the Old World, Dr. Loosen estate of Germany, and the other from the New World, Chateau Ste. Michelle of Washington state. An intermingling of Old and New World philosophies and techniques enables the crafting of an extraordinary Riesling from Washington grapes. Named for Beethoven's Third Symphony, Eroica reflects not only its variety and site, but also its heritage: bold and forward from its Washington roots, elegant and refined from German inspiration. Eroica wines include Eroica Riesling, Eroica Gold Riesling, Eroica XLC Riesling, Eroica Ice Wine, and Eroica Single Berry Select.

### ESTIVAL

The word 'estival' comes from the Latin notion of 'hibernating in summer'. And that's what summer in the Horse Heaven Hills makes us want to do: Linger in the glorious season when the grapes are ripening to their apex of perfection. Picked at that moment, ESTIVAL is a taste of summer at its peak; Bright, juicy and delicious this wine is 'of summer' when longer sun-soaked days have endless possibilities.

ETHOS is a revelation with the density and structure of a wine more than twice its price, ETHOS delivers a plush, big impact wine style in its youth.

### NORTHSTAR

Since its inaugural 1994 vintage, Walla Walla's Northstar Winery has produced exceptional, critically acclaimed Merlots from the very best grapes grown in the Walla Walla and Columbia Valleys. ### SPRING VALLEY VINEYARD

Spring Valley Vineyard is situated 12 miles northeast of Walla Walla, spread amid the picturesque wheat fields of southeastern Washington with the Blue Mountains providing the backdrop. The initial block of Merlot was planted in 1993 and continues grow 100% hand-harvested, 100% estate-grown red wines made by the Corkrum-Derby family. The second vintage ever made of the Uria Red Wine received #17 on Wine Spectator Top 100 list and the winery continues to receive high acclaims to this day. The ranch is still owned by the Corkrum-Derby family, and Kate Derby, the 6th generation of the family, carries on the hands-on winemaking approach of estate grown Washington wines as head winemaker. The names given to the wines are a tribute to the family members who have struggled and succeeded in farming the same land where Spring Valley Vineyard now flourishes.
